Young Leaders

of the West 2019

The 2019 Young Leaders Program will involve selected Stage 3 student leaders in a Sustainability Action Plan that not only develops their self-confidence but also enhances the student voice by building on connections within the school and other student school leaders. The students will complete a school biodiversity initiative that will contribute to their School Environmental Management Plan, informing Principals of strategies in which to improve and enhance their school environment.

What: The program involves students attending a leadership camp and supported by a series of video conferences.

When: Term 2, Week 1

Camp: Term 2 Week 2 Wed-Fri 8th-10th May

Cost: \$150 per student
